- Restaurant composting and recycling:
 - Peggy spoke with the plant rep. for Bob's, Philip McDonald. He stated they deal with the physical plant only (solar lighting, A/C, etc.) It was suggested by the EA members in attendance to ask him for a tour of Bob's on October 12 at 7PM so that we can learn more about what they've done and promote their effort to go green to other food establishments. All are welcome (if and when a tour is scheduled)!
 - Jessica to schedule meeting with city rep to educate Council about program.
- Start Planning: Fall Bike Ride:
 - Another bike ride will be planned for October 23. We will ask HOA, Outreach and YMCA for interest in participation.
