- An individual stakeholder or group of stakeholders shall have a right to assert a grievance with respect to any act by the Council or any member of the Council.
- Grievances shall be handled in a manner that is consistent with rules and regulations adopted by the City of Los Angeles through its Charter, its ordinances, and the rules as communicated by its agencies, including the Department of Neighborhood Empowerment.
- Disagreement with legitimately determined policies or positions of the Council shall not be considered a grievance for the purposes of this section.
- An allegation that the Bylaws, the Charter Plan or any other local, state or federal law has been violated shall be the legitimate subject of the grievance procedure system.
- For this purpose, the stakeholders at the annual meeting shall elect a Grievance Committee, consisting of three persons, none of whom shall be a member of the Council.
- A vacancy on the Grievance Committee may be filled temporarily by the Council, but that position shall be filled by election by all stakeholders at the next regularly scheduled meeting of stakeholders.
- Persons who wish to claim a grievance may do so by communicating with any member of the Grievance Committee, and the Grievance Committee shall invite the persons claiming a grievance to present arguments and evidence, which may include testimony, to the Committee.
- The Grievance Committee shall act to hear a grievance within 30 days of the initial communication and shall prepare a report and recommendation to the Council to be presented at its next meeting, or at least no later than the following meeting.

- The Council shall include Grievance Committee reports in its agenda and shall hear the reports in a timely manner as described above.
