RE: Letter of Support
Organization: Toluca Baseball
Location: North & South Weddington Parks, North Hollywood

Dear Ms. Carroll:

Due to the recent reductions in summer programming, after school programming, and LAUSD's budgetary cuts, I support the application for Sunday play at the Weddington parks. Sunday will be used for limited game play, practices, and physical conditioning.

Toluca Baseball will continue to maintain the greens and will be making plans in the future for water conservation efforts on the fields of play. Toluca Baseball has a 50 year relationship with our community bringing youth baseball to the children of Los Angeles.

Toluca Baseball has my full support for Sunday play at the Weddington fields. Should you have any questions regarding this application please feel free to contact my District Director, Alice Roth at 818/755-7630.

Remember a healthy body is a health mind. Continue to enjoy and love Los Angeles.

Sincerely,

Tom LaBonge
Councilmember, 4th District
