2. In Progress

- Lance researching sign post banner holders & hanging baskets. Waiting for requirements, parameters of weight, size and sponsors. He's spoken with Tom LaBonge. We need to set aside money for these projects.
 - Restaurant composting - will defer discussion to July meeting
 - Restaurant recycling - committee members will go to restaurants that already recycle for their input. We will bring the info. back to the July meeting and prepare a handout for the restaurants in TL with that info. and suggestions on how they can start recycling
 - GTLNC website. It is extremely important that the EA section is updated with all the events we've sponsored, plans for improving our community,etc. We need to delete the empty space that appears now.
 - Some of our clean-up days should be ewaste days. This needs to be well advertised. We will ask the owner of 4444Riverside Dr. if we can use his lot again. We will coordinate with an ewaste company for pick-up. We may need the assistance of the city worker who picks up the barriers and cones to go to the homes of people who are unable to bring their ewaste to the site.
 - We will have a TL bike ride once a year. This will give us time to encourage sponsors.
 - CFL/Mercury education - defer discussion to July meeting
 - Trifold EA/Environmental Consideration brochures - defer discussion to July meeting
 - Awards for beautification - bring ideas to July meeting so we can compose a business letter.
 - Moorpark median & Ledge underpass - defer until Terry is available
 - Camarillo/Forman median - EA wants to set aside money for improvements. We need to change the key box so EA has a key. EA committee members will rotate the key monthly and will assume responsibility for turning on the sprinklers and reporting problems.
 - CERT training and retraining programs. Cornelio will research this project.
 - 4th of July parade. Cornelio will research. EA members will be present in EA teeshirts
 - New committee name? No. We will keep the name, Environmental Affairs.
3. New Business: Cathy will call 311 for tree stump removal on Magnolia. We will then select a date to plant the new tree she is re-gifting
4. Meeting Closed at 8PM. Nest meeting will be July 13, 2010 at 7PM
