Dear Ms. Feldstein Soto –

Many of our Greater Toluca Lake Neighborhood Council (GTLNC) Board of Directors read with satisfaction your letter to Senator Anna Caballero, Chair of the California State Senate Appropriations Committee, dated May 23rd, 2025 in which you opposed SB 79 to vindicate the rights of Los Angeles residents. Your letter outlined mandated costs in the billions for which the State is responsible if SB 79 were to become law. As you know, Governor Newsom recently signed SB 79 into law.

When we discussed this matter on Tuesday, August 5th, 2025 at National Night Out along with 44th Assembly District Field Representative Victor Reyes-Morelos, GTLNC Planning and Land Use Committee Chair Paul Hartel and GTLNC Treasurer Federico Figus, we understood that you intended to file suit on behalf of the City if the bill were passed.

May we please receive a copy of the complaint from you, along with any updates on its progress?

Thank you.

Sincerely,

Tess Taylor
President
