4.2 Discussion and Possible Action: 10960 Moorpark Street, alcohol sales. "the owners would like to remove their auto repair use and move their convenience store over then demo the convenience store for better site uses. The issue comes down to the alcohol sales. The Councilmember does not support adding alcohol sales to gas stations, however in this case given that the owners have had alcohol sales for a long time, and it's more of a "moving the use" instead of "expanding the use" he's willing to consider it but he would like to be sure that the community feels the same way and there aren't any known issues at the site, especially the neighbors and neighborhood council." Per Emma Howard email.

Motion B: The PLUM Committee supports the planning application for the project at 10960 Moorpark Street allowing for the continued sale of alcohol.
