He said he will be back next month for a complete update on that issue and has asked for 15 minutes of time at that meeting to cover this.
Alice Roth updated us on all of the legislation the councilman is working on. She also let us know we can report abandoned scooters to 311, and referred us to Metro regarding the bike sharing that is being proposed in Toluca Lake.

6) New Business: - Public input limited to 3 minutes per item

   a. March CPAB Takeaways

   Jay gave us an update on the March CPAB Takeaways. I am attaching the outline to these minutes.

7) On-Going Business: - Public input limited to 3 minutes per item

Steve Rostam gave us the below updates regarding the LADOT

   a. LADOT

   i. Additional signs directing traffic North on Cahuenga to the freeways that will re-direct to Lankershim on ramp

   LADOT went out and looked at this area and aren't going to change the signage for 2 reasons: most of the traffic travels on the streets that GPS systems and WAZE directs you to go and changing this sign will have minimum impact on the traffic. Also, Lankershim would require 2 additional turns to get onto the 134 freeway and Cahuenga is more of a direct shot for the freeway

   ii. Traffic Light at Addison and Cahuenga

   this will be another estimated 18 months Fully funded and approved but work expected to be done fourth quarter of 2020.

   iii. Exit at Cahuenga/134 – Crosswalk

   the walk signal has been fixed to have a 5 second head start before the cars….updated on January 24th

   iv. Clybourn/Riverside Crosswalk

   waiting for funding for flashing lights….hopefully September 2020

   v. Valley Spring Lane/ Cahuenga Blvd. Crosswalk

   this was reviewed back in 2016 and denied for lack of community support

   b. Homeless Issues

   c. CALTRANS

   i. Cahuenga Blvd. Improvements:

      A. “Request to remove the two westbound 134 Freeway signs directing Hollywood and Universal Studios traffic to exit at Cahuenga Blvd. and install new signs for these destinations to exit at Lankershim Blvd.”
